5. Treasurer Report / Budget Discussion and Approval (Michael H)

- Budget - remained fairly static from last year
- Bulk of funding will come from Pizza program
- Popcorn also ongoing
- Blackburn Funfair - expect to bring in about $\$ 200$ from parental fundraising
- Optimistic about winter Bazaar
- Parental Involvement Fund - comes in Feb and there are restrictions on its use. Meant to build engagement with the community.
- Programs - mostly the same as last year - welcoming and leaving ceremonies will have increased budgets due to inflation - but nothing new.
- Money likely to be set aside for various presentations and to assist the music room (buy instruments).
- Some money for administrative requirements
- OCASC - not sure if money needs to be sent aside
- We do carry a $\$ 2000$ float for contingencies/emergencies
- Q - What is the ECMS staff support fund? A - Usually every year in Feb we provide a small Gift Card (\$10) as a token of appreciation to the teachers. Not obligatory.
- Q - Has there been any money provided to teachers for supplies? A - No. Supplies have not been requested.
- Sara J-100\% of teachers want Scientists in the School (\$3000) - next largest request is a workshop/presentation and field trip support is also favoured.
- Sara J - Asked teachers to vote on how funds should be allocated (by classes individually or equally for all classes) - everyone said it should be the same for everyone.
- Q Do we carry excess money for the next year? Yes - we carry over $\$ 2000$ for emergencies.
- Motion to Approve - Lisa L / Seconded by Juliana L
- Carried

## 6. Principal's Report (Marc S):

- Happy to respond to questions at any time.
- Continue to focus on structures for a positive school environment - safety, engagement etc.
- Next week - some changes to how we enter the school and how we supervise the entrances. Work on training students to come in without an early bell and just come straight in (instead of waiting at the door and congregating). More supervision inside in strategic areas like locker bays. Work on bell work time as well (what happens while everyone is getting settled). Change is being made because most of the incidents are after the early bell. Will provide an update at the next meeting.
- Due to the interest at the last meeting regarding anti-hate and anti-bullying, I have brought some information on instructional core and what I will be using in the school. Handouts provided to council and discussed.
- Q - what are you doing to help the teachers learn the new curriculum and improve? A - there has been a strong commitment from the Ministry and the Board to spend full PD days on the new curriculum. Have already spent 2 PD days on this. Have coaches and an online learning resource to support the teachers.
- Q - Is there a specific goal for the school? A - I will be out the next few days working on a school improvement plan with a goal to be completed in the next 23 weeks.
- Q - Have heard about budget cuts at other schools. Would like to know if it may impact ECMS and sports programs? A - not likely sports - it is more about bussing and support teachers. Schools haven't had a cut to budgets, but been asked to look critically at spending and budgets.

## 7. Teacher's Report (Sara J) Report attached below

## 8. OCASC update (David M)

- N/A

## 9. Discussion Items

a) Fundraising ideas and events
i) EC Festive Bazaar - coming along. Emails sent out to families and volunteers. Have created a schedule/plan via google docs that will be interactive. Have started receiving donations. Need to discuss where we can store them in the school. Have purchased stickers for pricing - not sure if we should do this yet or not. Donation based.
For class coordination - 12 homerooms - teachers will sign up on google sheets. 40 Tables are coming from Forest Valley PS. Will be stored under the stairs. Permit for the evening before is confirmed.
ii) Pizza

- Going well. Kids are excited - show up early to pick up the slices for the class.
- Currently going to the end of December. Will have a second order for the start of Jan (send out email in Dec).
- Snow Days? Can we cancel? Yes if we call by 0900 that morning. We will cancel and postpone.
iii) Popcorn
- Going well. 124 orders @ \$20/order. It took a while to get the list sorted. Issue with delivery - 2 flavours are delayed by several weeks. We can draft an email to the parents of the families and offer another option or to wait.
b) Unfinished or New Business
i) PRO Grant Application - councils have to apply for this grant. Haven't in the past - but we did discuss three ideas that the PRO grant is willing to fund this year. Lisa $L$ is willing to work on the grant application. If this doesn't work, we can also use PIC. Is everyone in favour of applying for the grant? Yes

Ideas for the grant:

1) Curriculum Based Workshop
2) Internet Safety (Paul Davies)
3) Digital Workshop - Control for Parents?
4) Menard workshops - also have a social media course for parents of teens.

## 10. Approval of Monies

- Vote to spend $\$ 531.29$ on Forest of Reading
- Motion to approve - Lisa L / Seconded by Juliana L
- Carried

## 11. Meeting adjourned

- Motion to approve Sara J / Seconded by Mark S.
- Carried

Next Meeting: January 16 at 6:30pm.
